

## **Electronics and Discipline Policy**

**(Please read carefully)**

### **Electronic Policy**

Quest Campers may have them during the day, however on field trip days, they are to be left in the office at Quest Camp. If on a motor coach, they may take them, but leave them on the bus once at the park. If the camper fails to do so, and leaves phone/electronics they will not be allowed to go back and get it. It is the camper's responsibility to follow the rules.

### **Rules and Regulations**

We have a “**Zero Policy**” on bullying, hitting and sexual harassment. If this happens at camp your child will be dismissed from camp with a loss of all camp fees.

### **Discipline Policy**

A firm, positive approach will be used regarding discipline. The Knightdale Parks and Recreation Department reserves the right to dismiss a participant if their behavior is detrimental to other campers. Each situation will be evaluated on its own merit. When disciplinary action is required, the following procedures will be observed:

1. Camper receives a verbal warning and is immediately removed from the group until he/she is capable of interacting in an appropriate manner.
2. If a second warning is issued, the camper will meet with the Camp Director to discuss the problem.
3. Continued discipline problems during the session/camp will result in the Camp Director contacting the parent/guardian for a telephone conference.
4. If problems continue or remain unresolved, the Camp Director will meet with the parents in person and a one day suspension from camp will be enforced.
